## NYAKU's Challenges

The board of governors lack skills in leadership and organization management. Limited knowledge on proposals and grants making. Limited knowledge and skills in networking, fundraising and capacity building especially trainings and awareness creation.

**Nayakasanga Community Development Foundation (NYAKU)** derives its name from the Nyakasanga division in which its founder members ailed from. NYAKU was founded in 2010 by a group of university graduates from the slopes of Ruwenzori in Kasese district. It was formed out of deep aspiration by a the group of youths namely; Joviah Kabugho, Mbambu Specioza, Baluku Nickson, Masereka Nathan and Thembo Solomon out of the conviction to utilize their education achievements in community development and respond to the plight of children, youth, women and men impacted greatly by the Allied Democratic Forces (ADF) rebel insurgency in the Ruwenzori region which had led to extreme poverty, spread of diseases and disruption of social lifestyles and ethics. With close working and consultative relationship with the district level offices in Kasese district they instituted NYAKU as a community based organization starting its work in Kasese Municipality.
